

PROGRAM & JUDGE EVALUATION

To provide Communities in Bloom Alberta with an indication on how well we are meeting our objectives, we are asking for your comments and suggestions. Review of the Evaluation Day of your community, along with your feedback on the overall program, is much appreciated.

For the judges, please provide an assessment of their performance during their visit to your community. Please note that the judges will not receive copies of these evaluations. Please be candid so we can all learn and work to improve! Roses & Thorns will be presented to our judges at our training session in the spring of next year.

For the Communities in Bloom Alberta program, we would appreciate your comments on the benefits, strengths and weaknesses, along with any suggestions for improvements.

You can also find this form online if you would prefer to complete it that way 😊
